Important consideration when deciding to participate in Dairy-Safe school lunch offerings:

Pomptonian's staff prepares and cooks a wide variety of meals and does not have separate equipment and space for dairy-safe (DS) meal preparation. To minimize the chance for cross-contamination, the DS items that are available for pre-order are prepared by trained staff with, as per the manufacturer's label, dairy-safe ingredients. Pomptonian works with manufacturers with Good Manufacturing Practices; however, foods may be produced in a facility containing known allergens.
